Share Request Conditions.

* Initial Request

I (we) _____ am (are) in accordance with the purchasing of shares with HIM SL Buea Branch. I (We) hereby subscribe to the terms of the HIM-SL, stipulating the intention to purchased the above mention numbers of shares at the front of this form. Failure to abide by these terms will result to forfeiture of 40% of share amount already paid. The present conditions are governed by the applied law and especially by the statutes of HIM SL.

- Initial payment at the time of Request: will be at least 25% of total shares requested at the front of this form.
- At least 25% of the total cost must be paid at the time of submitting this request.
- Once a request is made you cannot cancel the request for any refund. Cancellation of your request will result to forfeiture of 40% of the value of shares already paid for.
- Failure to respond to First, Second, and final call will also result to forfeiture of 40% of shares already paid for.
- Shares can not be withdrawn. They can only be sold or transferred as stated by the by-laws.

First, Second, and Final Call

The board of Directors will Initiate the second call.

- First call will be at least 25% of the total number of shares requested initially.
- A maximum of 180 days from the date of the initial request to pay the **First Call** portion which is a minimum 25% of total request.. At the end of the 180 days the shareholder should have paid at least 50% of their total request.
- A maximum of 210 days from the date of initial request is allowed to make Second call payment which is 25% of the initial request. At the end of 210 days from the initial request the requestor should have paid 75% of total request.
- Final call payment is the remaining balance of all requested shares. Failure to make complete payment of request after 300 days from the initial request date will result to forfeiture of 40% of the amount already paid as per the law.
- Share prices will remain the same as it was on date of initial purchase.
- The owner of the account is in charge of all fees and commissions and fiscal charges related to the operations carried in the account.

A statement of the account is issued to the owner after every 12-month period. The owner has a delay of 1 month to file in his observations and oppositions.

Every Share owner is also required to open Deposit or Savings account with the HIM-SL. See Account application for details.
